THANKING A RELATIVE FOR POSTING A PHOTO OR DOCUMENT

Hello

I was excited to see _____ [reference photo document name] that you posted. I've never seen that before. Thank you so much for sharing it. That really helps to deepen my research.

I am _____ [your name] and I'm related to _____ [refer to name of relative in photo or document above]. He/She is my _____ [name how you're related].

I would love to connect with you and talk more about our family. I am specifically looking for information on _____ [name relative you would like to know more about] I have many items I can share with you too. For example I have _____ [name document or photos you have]. I will email that to you once I hear back from you.

You can reach me at _____ [email, cell number].

Looking forward to great conversations with you.

MESSAGE TO RELATIVE WHO HAS A DNA MATCH WITH YOU

It appears that we have a match with our DNA. I'm always eager to meet new family.

My name is _____ and we share DNA with _____ [name ancestor who you share a connection to this person with]. He/she is my _____ [name how you are related to them].

I would love to talk to you more about our family. I am really interested in learning more information about _____ [name specific information you are looking for].

I would love to help you with any questions that you may have about the family. Let's talk so that we can share information!

You can reach me at _____ [email, cell number].

Looking forward to great conversations with you.

MESSAGE TO RELATIVE ON FACEBOOK

Hello

I'm happy that _____ [name relative that introduced you on Facebook] connected us. I know very little about this side of my family and I'm eager to talk to you to learn more about it.

I'm specifically looking for information about _____ [name what you are looking for]. Do you know anything about that? If not, that is alright. I'm happy to talk to you about the family!

You can reach me at _____ [Facebook, email, cell number]. I'm so excited to talk to you!
